 Please make us aware of your allergy before ordering your meal so that every possible precaution can be taken in our kitchens to prevent cross contamination and if product substitutions are in place our staff can make you aware.

Whilst we take the issue of food allergies and intolerances seriously all dishes are produced and prepared in an environment that is not free from **gluten, milk, egg, fish, crustaceans, molluscs, tree nuts, peanuts, sesame seeds, celery, mustard, lupin, sulphur dioxide, sulphites or soya** therefore all dishes may contain traces of these and other allergens.

Unfortunately, we are unable to serve diners with a nut allergy.

If you suffer from sensitive trace reactions for stated allergens, please be aware that we are unable to guarantee suitability for you.

Meat and fish dishes may contain bones.
